Please Read Carefully and Indicate the Service You Wish to Order

____ **BOUNDARY SURVEY:** *In a boundary survey of the subject property, corners will be located and verified or reset. The major improvements on the property (i.e. House, Garage, Pool, etc.) will be located and shown on surveying drawing. This survey can be used by the property owner for the construction of a fence, or other improvements. Flood plain certification is restricted to review of the Flood Insurance Rate Maps (FIRM) (latest revision) and shall not be construed as the confirmation of denial or flooding potential.*

____ *If requested additional stakes or points (other than corners) can be placed along property lines. There will be addition charges for staking and marking property lines. The cost will be based on the added time it takes to do the staking and marking.*

____ **ELEVATION CERTIFICATE:** _____ *For F.E.M.A. National Flood Insurance Program Certificate.*
_____ *For new construction, additions, or Minimum Opening Elevation*

____ **OTHER:** _____

I (we) the undersigned (borrower(s)/Purchaser(s)/or Owner(s)) have read, understand and have indicated above the type of service I (we) desire and have authorized the work to be performed.
